

Cry, Cry, Cry

Third Eye Blind

Everybody knows where you go when the sun goes down
I think you only live to see the lights of town
I wasted my time when I would try, try, try
Now the lights have lost their glow, you're gonna cry, cry, cry I lie awake at night and wait 'til you come in
You stay a little while and then you're gone again
Every question that I ask, I get a lie, lie, lie
For every lie you tell you're gonna cry, cry, cry You're gonna cry, cry, cry and you'll cry alone
When everyone's forgotten and you're left on your own
You're gonna cry, cry, cry Soon your sugar mommas will all be gone
You'll wake up some cold day and find you're alone
You'll call to me but I'm gonna tell you bye, bye, bye
When you turn around and walk away you'll cry, cry, cry When your fickle little love gets old no one will care
for you
You'll come back to me for a little love that's true
I'll tell you no and you gonna ask me why, why, why?
When I remind you of all of this you'll cry, cry, cry You're gonna cry, cry, cry and you'll cry alone
When everyone's forgotten and you're left on your own
You're gonna cry, cry, cry You're gonna cry, cry, cry and you'll want me there
When everything's forgotten and you're left on your own
You're gonna cry, cry, cry, you're gonna cry, cry, cry
