

# It's A Shame

Kris Kross

Hey yo, here's a real scoop, homie Loc  
Them fools around my way gettin' high off gun smoke  
And I ain't talkin' about the high like Indo  
The kind of high that make you call your kinfolks

And tell Loc, Johnny's dead  
A fourteen year old kid put a nine to his head  
All because he wanted that gear he was sporting  
Gimme that while you're at it, gimme them Jordans

Johnny tryin' to jet, homie wasn't hearing that  
Johnny tryin' to run and got gatted in the back  
Now tell me what happens to the way things used to be?  
'Cause in this game, there'll be no future, G

When will all of y'all learn  
That if you're playing with fire too long, you're bound to get burned  
This ain't a small thing I'm addressing  
It's a big thing, take it from the daddy as a lesson

Shame, it's a shame  
Shame, it's a shame  
It's a shame, it's a shame alright  
Shame, it's a shame  
Shame, it's a

It's a shame, the way this thing goes down  
How one lay you down just to show he don't play around  
He goes to sleep with a head full of anger  
And wakes up involved in a child's gang banger

I'm talkin' about a tisket, a tasket  
Not knowing next day he'll be laying in the casket  
So what you think of that, son?  
In the arcade they playin', the games ain't fun

Something like Pac-man  
Same name but the game as you put it in the sack  
And running to the next board

And gat down the fools standing in the way of the door

There's no board and no points  
And in this game, then he saw Pac-man wants  
The game that goes for always blowin'  
Then you'll slip up and they'll smoke you

Shame, it's a shame  
Shame, it's a shame  
It's a shame, it's a shame, alright  
Shame, it's a shame  
Shame, it's a shame

None of this exist with the word peace  
(Brother)  
You gotta do more than two fingers, man, please  
Get a game that they gotta go by  
Instead of 'Watch out quick, I send him to the sky'

There ain't nothing to be playin' with  
So listen what I give and what I be sayin', kid  
Take it from a kid's point of view  
'Cause on my way to school, I'll be watching you

Big, big daddy in his caddy with all of his boys  
It only had weeks, it's a joy  
That's the first part, second part has havin' hard  
But when you get count, you know how to restart

You gotta know how to watch your back  
'Cause if you're slack, huh, you're going in the sack  
I advise y'all all watch out or the game  
'Cause the game ain't nothin' but a

Shame, it's a shame  
Shame, it's a shame  
It's a shame, it's a shame, alright  
Shame, it's a shame  
Shame, it's a shame
