

## Backyards (featuring Emily Haines of Metric)

## Broken Social Scene

Broken boys look good sitting on their shoes  
Silent waves responds expose to fear  
Library cards, rented faces, lying on the naked train  
Hard parades with nothing skin  
Things that breathe way too thin They lost their lives in backyards  
They lost their lives in backyards They lost their lives in backyards  
They lost their lives in backyards Elevator, red blue stain, best of things  
Halfway between things and times, a kill  
Library cards, rented faces, lying on the naked train  
Highways and major club smell stale, almost eyes, a thousand things They lost their lives in backyards  
They lost their lives in backyards They lost their lives in backyards  
They lost their lives in backyards It's a hard parade, just be courageous  
It's a hard parade, just be courageous  
It's a hard parade, just be courageous  
It's a hard parade, just  
It's a hard parade  
It's a hard parade, just be courageous  
It's a hard parade, just be courageous  
It's a hard parade, just be courageous  
It's a hard parade, just be courageous  
It's a hard parade, just be courageous  
It's a hard parade, just be courageous  
Be courageous  
Be courageous  
Be courageous  
Be courageous  
Hard parade just, be courageous  
Hard parade just, be courageous  
It's a hard parade just, be courageous  
It's a hard parade just, be courageous  
It's a hard parade just, be courageous  
It's a hard parade just, be courageous
