

I'll Take Her

Calvin Richardson

Ohhhhhhhhhhhhhh yeah

Listen

Thereâ€™s a lot of things going on

And every day is growing strong

I want to set the record straight, right in here

Gotta listen to me loud and clear

Iâ€™m the kind of man that will take a good woman by her hand

Iâ€™ll wipe her tears away in case you didnâ€™t notice Iâ€™m a little bit country

Chorus:

If you canâ€™t treat her right

Let her go on, Iâ€™ll take her

(Somebody let me sang this song right here. Donâ€™t you try to stop me no)

If you canâ€™t love her right

Let her go on, Iâ€™ll take her

(Calvin, take your time and sang this, sang this song right here)

Yes you can say Iâ€™m weak but as long as I got breath in this little old body Iâ€™m gonna speak it

You better treat her a little bit sweeter 'cause ill do all the things that it takes to keep her

Donâ€™t think of me as your enemy

Call me crazy, call me country

â€™cause you better treat her right â€™cause if you donâ€™t Iâ€™m gonna love her with all my might, my might, my might

Chorus:

If you canâ€™t treat her right

Let her go on, Iâ€™ll take her

(Sometimes it may be sad but you gotta do it â€™ let her go)

If you canâ€™t love her right

Let her go on, Iâ€™ll take her

(Can we get a witness. Somebody, somebody help me and Calvin moan and say)

Shoodoopdoo

(I like the way you sang it)

Shoodoopdoo

Shoodoopdoo

(Sometimes you donâ€™t know what to say sometimes)

woowoowoowo

(All you gotta say is)

Shoodoopdoo

(Oh yeah)

Shoodoopdoo
(When you need me oowee)
Shoodoopdoo
(All you got to do is pick up the phone and call me, call me, call me, call me)
woowoowoowoo

Chorus:
If you canâ€™t treat her right
Let her go on, Iâ€™ll take her
If you canâ€™t love her right
Let her go on, Iâ€™ll take her
(Somebody, somebody wave your hands. Say yeahhhh)

Shoodoopdoo
Let her go on
Shoodoopdoo
Iâ€™ll take her
Shoodoopdoo
woowoowoowoo

Shoodoopdoo
Let her go on
Shoodoopdoo
Iâ€™ll take her
Shoodoopdoo
woowoowoowoo
(Calvin, I think theyâ€™ve heard enough)
(No no, no, no Iâ€™m not ready to go)

Shoodoopdoo
Let her go on
Shoodoopdoo
Iâ€™ll take her
Shoodoopdoo
woowoowoowoo
