Secret (feat. Kool John)

Jonn Hart

We both here to roll like we innocent
But don't nobody know that I'm hitting it, yeahSo I do it like a friend with a benefit
Shawty play her role, she don't say shit
So we get it in on the under
They don't know that we know about each otherSo we creep yeah, just keep it on the down low
Nobody got to know what we do
So we creep yeah, your nigga don't know about us
Let's keep this shit between me and you
Can you keep a secret? How we fucking on the low
Can you keep a secret? And don't let nobody know
Can you keep a secret?
Chilling at the suite up top, missed call from a nigga up top
Told him you was hanging with your girlfriends, but we know that you notSo I do it like a friend with a benefit
Shawty play her role, she don't say shit
So we get it in on the under
They don't know that we know about each otherSo we creep yeah, just keep it on the down low
Nobody got to know what we do
So we creep yeah, your nigga don't know about us
Let's keep this shit between me and you
Can you keep a secret? How we fucking on the low
Can you keep a secret? And don't let nobody know
Can you keep a secret?I'm feeling X rated, if you can keep a secret baby, I appreciate it
And we can do this every weekend, I dove in the pussy like the deep end
I slid through the DM like [?], I want it now, I don't want it if I gotta wait
Netflix and chill, we don't go on dates, once I hit it then my girl don't wanna wait
So we creep yeah, just keep it on the down low
Nobody got to know what we do
So we creep yeah, your nigga don't know about us
Let's keep this shit between me and you
Can you keep a secret? How we fucking on the low
Can you keep a secret? And don't let nobody know
Can you keep a secret?
