

409 In Your Coffeemaker (live)

Green Day

I sit in the state of a daydream
With all of your words flying over my head
Even more time gets wasted
In a dazeIt should seem obvious to you
Your screams and cries are never going to work
And all of your time gets wasted
In my daze[Chorus:]
And I'm looking back now
At where I have gone wrong
And why I could not seem to get along
My interests are longing
To break from these chains
These chains that control
My future's aimI sit in the state of a daydream
With all of your words flying over my head
Even more time gets wasted
In a dazeMaybe I'm just too damn lazy
Or maybe I was just brainwashed to think that way
And all of your time gets wasted
In my daze[Chorus]I'm looking
Back now at
Where I have
Have gone wrong
And why I
Could not seem
Could not seem
To get along[Chorus]
