

Strong Enough To Break

Hanson

I don't feel myself today
Just a figure in a big monopoly game
Struggle is the price you pay
You get just enough just to give it awayI'm sinking but I'm floating away
Throw me a line so I can anchor my pain
The fabric is about to fray
The fabric is about to frayMaybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself latelyThings keep coming and I keep wondering
I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling I'm strong enough to break
I start feeling I'm strong enough to break, ohBeen running through my mind today
Scenarios to add to your hypocrisy
No one ever takes the blame
But everyone is searching for a cure to the painNothing ever seems to change
Oh, nothing ever seems to change
We just play like broken records
In a deaf man's charadeMaybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself latelyThings keep coming and I keep wondering
I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling I'm strong enough to break
Oh, I start feeling I'm strong enough to break
I start feeling I'm strong enough to breakCarry on just a pawn and the same old song
I'm still holding onThe fabric is about to frayMaybe you could take a look at yourself lately
Maybe you could take a look at yourself latelyThings keep coming and I keep wondering
I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling I'm strong enough
Things keep coming and I keep wondering
I start feeling the walls close inThings keep coming and I keep stumbling
I start feeling I'm strong enough to break
I start feeling I'm strong enough to break
Oh, I start feeling I'm strong enough to break
Things keep coming and I keep wondering
I start feeling the walls close inThings keep coming and I keep stumbling
