

# Going gets Tough

## The Growlers

Off work in the morning  
and up at the crack of dawn  
All my money worries  
wherever I go come alongWorry's a bully  
that just won't let me be  
Tryin' keep me busy  
tussling and strugglingNo home since the fire  
me and the ash can settle down  
Unsure of where I'm bound  
so I sink another roundPlacebo for pain  
and there's no one left to blame  
I refuse to accept  
that my work is all in vainWorry's a bully  
that just won't let me be  
Tryin' keep me busy  
tussling and strugglingStill always remembering  
when the Going Gets Tough  
That the labor of our love  
will reward us soon enoughStill always remembering  
when the Going Gets Tough  
That the labor of our love  
will reward us soon enoughMan's never alone  
if he can offer help  
Always thinking of  
everyone else before himselfWorry's a bully  
that just won't let me be  
Tryin' keep me busy  
tussling and strugglingNo home since the fire  
me and the ash can settle down  
Unsure of where I'm bound  
so I sink another roundPlacebo for pain  
and there's no one for to blame  
I refuse to accept  
that my work is all in vainWorry's a bully  
that just won't let me be  
Tryin' keep me busy  
tussling and strugglingStill always remembering  
when the Going Gets Tough  
That the labor of our love

will reward us soon enough
