I Found My Smile Again

D'angelo

I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again
I don't know what it is that you're doing
All I know is baby, that you're shonuff doin' it good
And you look at me, and my hear just starts the moving
I haven't felt like this in a while
Girl, I wanna thank you for helping me find my smile
I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again
My smile, hello hello smile, I haven't seen you in a while
Your love, girl your love, you make me feel like I'm on a cloud
And since I laid eyes on you, my spirit's been brand new
And I wanna thank you child, oh, helping me find my smile
I found my smile again
You helped me find my smile again
I found my smile again

You helped me find my smile again
I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again
You helped me find my smile again
Honey baby got me smilin'
Honey baby got me smilin'
Honey baby got me smilin'
Smilin', smilin', smilin'
Smilin', smilin', smilin'
I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again
I found my smile again

You helped me find my smile again
