Screwed (Alex G. Remix)

Paris Hilton

I'm screwedPlease don't let it begin
You're under my skin
Same old story
Boys meets girl and she falls much harder than himBaby, where's the glory
If all night, all night, you're attention's not mine
Please don't let it being
You're under my skin
It's a sin cause you're starting to winSince I'm already screwed
Here's a message to you
My heart's wide open
I'm just not getting through to the lover in you
Yet I'm still hoping
That tonight, tonight, you're gonna turn down the lights
And give me a little more room just to prove it to you
What do I gotta do?Just push her aside
She's not your type
So clichÃ© when a boy falls under the spell
Of a woman from hell
It's hard to take cause
Tonight, tonight, you could have found out I might
Have been the girl of your dreams
Baby, you might have seen what it means just to really be freeSince I'm already screwed
Here's a message to you
My heart's wide open
I'm just not getting through to the lover in you
Yet I'm still hoping
That tonight, tonight, you're gonna turn down the lights
And give me a little more room just to prove it to you
What do I gotta do?Tell me that you do
Tell me that you do
Tell me that you wanna take my number
There will come a day
An easy day in May or a storm in mid December
When you need someone just to have a little fun
I could be the perfect girl for you
When you need someone just to have a little fun
I could be the perfect girl for you to loveSince I'm already screwed
Here's a message to you
My heart's wide open

I'm just not getting through to the lover in you
Yet I'm still hoping
That tonight, tonight, you're gonna turn down the lights
And give me a little more room just to prove it to you
What do I gotta do?Since I'm already screwed
Here's a message to you
My heart's wide open
I'm just not getting through to the lover in you
Yet I'm still hoping
That tonight, tonight, you're gonna turn down the lights
And give me a little more room just to prove it to you
What do I gotta do?
