shawty i'm a hit hit it like I can't missV1

I love the way you look

I love the way you smell

I love it when you grind it on me shawty can't you tell

you pop that pussy well

that nigga must be crazy

I roll in it for hours

lil pimpin must be lazy

he like to disrespect ya, he got ya contemplatin'

I'll never disrespect ya, I'll compliment ya daily

put ya in that new mercedes, i know that sucka hatin

look let me upgrade ya, so he can really hate me

how you been feeling lately, since you let that busta loose

he put his hands on ya, he let ya see the truth

I put that ice around ya arm and let ya see the proof

so put that sucka to the side and let this nigga thru

so what ya need to do, is lose the dead weight

and let me do ya like the chorus of this song say

or better yet just let me treat ya like my favorite dish

before I eat ya I'll blow the candles out and make a wishX2

Shawty say the nigga that she wit aint shit

shawty say the nigga that she wit aint this

shawty say the nigga that she wit can't hit

shawty i'm a hit hit it like I can't missV2

you'll barely spend a dollar, I'll blow it all on prada

long as you treat me proper, it's all on me lil mama

just let me be your doctor, promise I'll cut with caution

just like old milk i'll spoil ya, spoil you until you rotten

look how he treat you shawty, treat you like he don't need you

i need you really shawty, need you like I need jesus

open up your ears up for me, so you can hear me clearly

it don't take much to feel me, especially when your heart is empty

you say he hate ya guts, girl I wanna get up in em

love how you wear that denim, make me wanna bust up in ya

look ya hear me just pretending, i'm trying to keep it trill

you messing wit a winner, so tell that nigga chill
put you on ice for real, lace you from neck to ear
take you and make you mine, you take me and make me yours
he used excessive force, i'll let the passion flow
no need for searching for love, i'm what your looking forX2
Shawty say the nigga that she wit aint shit
shawty say the nigga that she wit aint this
shawty say the nigga that she wit can't hit
shawty i'm a hit it hit it like I can't missV3
he like to hand cuff ya, i let ya cuffs loose
he skim the top layer, i go deep in ya roots
he like ya in the bed, i like ya on the roof
in the back seat of the coupe, i can make that pussy poop
he hit it old fashioned, I do's it brand new
if he aint working for ya, then bring ya man's thru
you know I whip it hard, hit it hit it after dark
beat it like ya stole something, park my bus in your garage
i'm just trying to get in where I fit in, inside of your heart
if you accept me and you let me I'm playing my part
if you reject me and forget me you taking a loss
you wanna ride wit a scrub or roll wit a boss
cuz i'm not trying to sweat ya, i'm trying to treat ya better
if you settle for him shawty you settle for lesser
and I'm of greater value, something like a hidden treasure
he put the B in Busta, I put the P in PleasureX2
