

Sunny

Stereophonics

Left late in the rain from the city
She lived by the sea
Stepped onto the train at the station
To where we said we'd meet
A slow bar with a gin and a jukebox
Where she likes to go
The rain stops every time that I see her
Every time for sure
All right now
All right now Sunny, you're so sunny
With no money, it's so funny
Who needs a money, it's so sunny
And you feel like summer Sunny, you're so sunny
With no money, it's so funny
Who needs a money
When it's so sunny
You just feel like summer I don't know where you came from
I don't know what's going on
The morning I could be long gone
If you feel like it
