

So Long Self

MercyMe

Well if I come
across just a little
bit distant its just
because I am
Things just seem
a little bit different
You understand

Believe it or not
But life is not
apparently about
me anyways but
I have met the one
who really is worthy
so let me say

{Chorus:}
So long, self
well its been
fun but i have
found somebody
else
So long self
theres just no room
for two so you are
gonna have to move
So long self
dont take this wrong
but you are wrong for me
farewell, oh well, goodbye,
dont cry
So long self

Stop right there
because i know what
your thinking but
no we cant be friends
and even though
i know your heart is

breaking this has to end

and come to think of it
the blame for all of this
simply falls on me
for wanting something
more in life than all of
this cant you see

{CHORUS}

Dont feel so bad
(dont feel so bad)
There'll be better days
(there'll be better days)
Dont go away mad
(But by all means)
Just go away,
go away

{CHORUS}

Farewell, good bye
so long self
(REPEAT)
