## I Don't Wanna Know

## **Phil Collins**

It's over

Oh yes it's all over

And it's been a long time coming

Some say it's too longShe said it

And now she'll regret it

But if she'd ask anyone

I know they'll tell her to her face, that it's too late'Cause I don't wanna know

No, I don't wanna know

She can cry all she wants

She's not gonna bring me back, no noI don't wanna know

No I don't wanna know

She can try all she wants

It's not gonna get me back, oh oh, no noThey warned me

Oh yes they all warned me

They told me, don't lose your heart to her

She'll never give it back, no noOh it's too late

She made a big mistake

It wouldn't be the first one anyway

Tell me how many more? No no noNo I don't wanna know what she said

No I don't wanna know what she said

She can cry all she wants

She's not gonna bring me back, no noI don't wanna know what she said

No I don't wanna know what she said

She can try all she wants

It's not gonna get me back, no no, oh ohIt's over

Oh oh it's all over

And it's been a long time coming

Some say it's too long, oh ohThey warned me

Oh yes they all warned me

They told me, "Now don't lose your head to her

She'll never give it back", no no, no noI don't wanna know what she said

No I don't wanna know what she said

She can cry all she wants

She's not gonna get me back, no noI don't wanna know what she said

No I don't wanna know what she said

She can try all she wants

It's not gonna bring me back, no, no no no
