

Stevie Knows

Olly Murs

The door's are locked
The night is ready for you
Dinner's still hot
You don't want dessert to spoil So baby come home, come home
Come home, come
Baby come home, come home
Ooooooh
Baby come home
Come home, come home
Soon as you come in this house
I'm gonna take you to higher ground
'Cause Stevie don't wonder
Stevie knows
Stevie don't wonder
Stevie knows
Stevie don't wonder (Stevie don't wonder)
Stevie knows (Stevie knows)
Soon as you come in this house
I'm gonna take you to higher ground The bed's undressed
Like you it's looking gorgeous
Lay on my chest
Then ride out into the morning So baby come home, come home
Come home, come
Baby come home, come home
Ooooooh
Baby come home
Come home, come home
Soon as you come in this house
I'm gonna take you to higher ground
Stevie don't wonder
Stevie knows
Stevie don't wonder
Stevie knows
Stevie don't wonder (Stevie don't wonder)
Stevie knows (Stevie knows)
Soon as you come in this house
I'm gonna take you to higher ground (Stevie don't wonder)
Woahh oohhh ohh
Stevie don't

Woahh oohhh ohh
He knows what we're doing when this record's on
Woahh oohhh ohh

Stevie knows (Stevie knows)
Soon as you come in this house
I'm gonna take you to higher ground
Stevie don't wonder
(Woahhh oohhhh ohh)
Stevie don't wonder
(Woahhh oohhhh ohh)
He knows what we're doing when this record's on
Stevie don't wonder
(Stevie knows)
Soon as you come in this house
I'm gonna take you to higher ground
Stevie don't wonder
