

# Big Bright World

## Garbage

We are difficult to understand  
It was hard to make the simple plan work  
Difficult and that's what made it burn You're a satellite around my heart  
One million miles before the start  
Indescribable and that's what makes it you [Pre-Chorus:]  
Shivers up and down my spine  
Feet to the teeth [Chorus:]  
Inside this big, bright world  
Inside this big, bright world  
Inside this big, bright world We rage against the dying  
Rage against the dying light You're mysterious, you make no sense  
I love you cause you're innocent  
You fell out through a hole inside the sun So magnify the best inside me  
Fill the parts that you can't find me  
The parts that won't give out when things get hard [Pre-Chorus] [Chorus] Round and around in the setting sun  
Round and around in the setting sun  
Round and around in the setting sun  
Round and around and around and around and around [Chorus] Rage against the dying  
Rage against the dying light I'm with you [8x]
