Nunslaughter

When you hear me calling your name in the night
Do you run to your window thinking a coyote might
Be howling
When you hear me knocking at your door again
Do you tell yourself it's only the wind
That's blowing
When you watch the sun sink down in the west
Do you tell yourself that the heart in your chest
Is still beatingWill you know or must I tell you
This is my lover's spell you have fallen into
My dear
My voice is all you'll hear
Only the sound of my heart pounding, darling
You took my heart
Cast it aside
Laughed when I cried
Like it was just no big deal
And here all alone in the dark
I know just how you feelWhen you feel my fingers touch your skin again
Do you tell yourself there's just no use
In crying
When the stars in the sky begin to fade
Do you tell yourself, don't be afraid
It's just the night
That's dyingWill you know or must I tell you
This is my lover's spell you have fallen into, my dear
My voice is all you'll hear
Only the sound of my heart pounding, darling
