

Love Is

Bill Withers

They say it's a river that circles the earth
A beam of light shining to the edge of the universe
It conquers all, it changes everything
They say it's a blessing, they say it's a gift
They say it's a miracle and I believe that it is
It conquers all but it's a mystery
Love breaks your heart
Love takes no less than everything
Love makes it hard
And it fades away so easily
In this world we created, in this place that we live
In the blink of an eye, babe, the darkness slips in
Love lights the world
Unites the lovers for eternity
Love breaks the chains
Love aches for every one of us
Love takes the tears and the pain
And it turns it into the beauty that remains
Look at this place, it was paradise
But now it's dying
I'll pray for love
I'll take my chances that it's not too late
Love breaks your heart
Love takes no less than everything
Love makes it hard
And it fades away so easily
Oh oh oh, love breaks the chain
Love aches for every one of us
Love takes the tears and the pain
And it turns it into the beauty that remains
