Don't Turn The Lights On

Chromeo

There must be another way
When she's gone to a better place
And loneliness will hurt you
If you can't get through the nightThen the moment starts to fade
And dawn is just an hour away
I feel she's watching over
And it gets me through the nightIt makes me wonder what you'd say
It's taking me back to the month of May
When I watched you do it
(All night)I'm thinking back to what we'd shared
In many ways I'm already there
And I watched you do itDon't turn the lights on
'Cause tonight I wanna see you in the dark
Don't turn the lights on
'Cause tonight I wanna see you in the darkDon't turn the lights on
'Cause tonight I wanna see you in the dark
Don't turn the lights on
'Cause tonight I wanna see you in the darkAnother walk to take
Another lonesome evening spent without you there
And only those who hurt you
Will say patience is a virtue when it's been so longAnd I can't think about it
No, I can't figure it out
It's just the way you're feeling
Every time that you're appealing
Leaves no room for doubtIt makes me wonder what you'd say
It's taking me back to the month of May
When I watched you do it
(All night)I'm thinking back to what we'd shared
In many ways I'm already there
And I watched you do itDon't turn the lights on
'Cause tonight I wanna see you in the dark
Don't turn the lights on
'Cause tonight I wanna see you in the darkDon't turn the lights on
'Cause tonight I wanna see you in the dark
Don't turn the lights on
'Cause tonight I wanna see you in the darkDon't turn the lights on
'Cause tonight I wanna see you in the dark
Don't turn the lights on
'Cause tonight I wanna see you in the darkDon't turn the lights on

'Cause tonight I wanna see you in the dark
Don't turn the lights on
'Cause tonight I wanna see you in the dark
