

Hands Of Time

Groove Armada

Keep looking through the window pane
Just trying to see through the pouring rain
It's hearing your name, hearing your name
I never really felt quite the same, since I've lost what I had to gain
No one to blame, no one to blame
Seems to me, can't turn back the hands of time
Oh it seems to me, can't turn back the hands of time
No one to blame, no one to blame
Seems to me, can't turn back the hands of time
Oh it seems to me, can't turn back the hands of time
Seems to me, can't turn back the hands of time
Oh it seems to me, can't turn back the hands of time
Seems to me, history was left behind
