

# Cadaverous Mastication

## Meshuggah

Here we are to stay  
We all can see the purblind day  
Assail the cause  
Defray the ogre, the insubordinates  
Restrained to live  
Bring me home  
Confronting mutants  
We are all bound to fall  
Mortality  
we see today, defrauds our dreams  
Approachable to die  
Sliced by their lies, secured morbidity  
Restrained to live  
Bring me home  
Confronting mutants  
We are bound to fall  
How many of the judges place a bet on me?  
What's there to be?  
MORIBUND IRREVERENCE  
What's there for us in this deranged society?  
Inanity  
CADAVEROUS MASTICATIONS  
SATURDAY  
They have saturday  
SATURDAY  
Now it's saturday  
SATURDAY  
They have saturday  
SATURDAY  
Now it's saturday  
YOU ARE INSANE  
How can you let there be such cruelty  
YOU ARE INSANE  
Now it's time for you to see  
Here we are to stay  
We all can see the purblind day  
Assail the cause  
Defray the ogre, the insubordinates  
Restrained to live  
Bring me home  
Confronting mutants  
We are bound to fall  
We are bound to fall
