

If You Could Only See

Tonic

If you could only see the way she loves me
Then maybe you would understand
Why I feel this way about our love
And what I must do If you could only see how blue
Her eyes can be when she says
When she says she loves me Well you got your reasons
And you got your lies
And you got your manipulations
They cut me down to size Sayin' you love but you don't
You give your love but you won't If you could only see the way she loves me
Then maybe you would understand
Why I feel this way about our love
And what I must do If you could only see how blue
Her eyes can be when she says
When she says she loves me Seems the road less traveled
Shows happiness unraveled
And you got to take a little dirt
To keep what you love
That's what you gotta do Sayin' you love but you don't
You give your love but you won't
You're stretching out your arms
To something that's just not there Sayin' you love where you stand
Give your heart when you can If you could only see the way she loves me
Then maybe you would understand
Why I feel this way about our love
And what I must do If you could only see how blue
Her eyes can be when she says
When she says she loves me Sayin' you love but you don't
You give your love but you won't
Sayin' you love where you stand
Give your heart when you can If you could only see the way she loves me
Then maybe you would understand
Why I feel this way about our love
And what I must do If you could only see how blue
Her eyes can be when she says
When she says she loves me
