

Letters

Johnnie Guilbert

Dear Juliet
I write to you
Hoping our love is true
Oh, oh
Dear Juliet
Won't you say to me
You're my everything
And more, and more, and more
You got it all down, you're all so wise
I got it all down, but I'm so shy
I can't see, what could you possibly see In me?
You're one in a million to a boy like me
Dear Juliet
I write to you
In hopes that you see our love is true
Dear Juliet
Won't you say to me
You're my everything, you're my everything
And more, and more, and more
You got it all down, you're all so wise
I got it all down, but I'm so shy
I can't see, what could you possibly see In me?
You're one in a million to a boy like me
I got thoughts on my mind, thoughts on my brain
I don't know how to save the day
Thoughts on my mind, thoughts on my brain
I don't know how to save the day
The day will start to stop our love
The only reason is, they don't get us
You've got it all down, you're all so wise
I've got it all down, but I'm so shy
I can't see, what could you possibly see In me?
You're one in a million to a boy like me
You got it all down, you're all so wise
I got it all down, but I'm so shy
I can't see, what could you possibly see In me?
You're one in a million to a boy like me
Dear Juliet
