

# High Ball Shooter (2009 Digital Remaster)

## Deep Purple

Well I'm a rock and roll preacher  
Not a Sunday school teacher  
You ain't no shady lady  
But I love the way you strut your stuff  
You're a snow queen looking mean  
Tryin' to make it on the scene  
I guess you love it  
'Cause I always see you hanging' around  
You're a high ball shooter  
You make it easy to see  
High ball shooter  
You sure ripped the low ones off me  
A Magnet brought you to me  
Told me your name was Jo  
You said you liked my music  
And you really did enjoy the show  
Now I wanna play piano  
But my fingers don't agree  
They're busy on you woman  
And I feel your fingers workin' on me  
You're a high ball shooter  
You make it easy to see  
High ball shooter  
You sure ripped the low ones off me  
It's time to leave you honey  
I know you're feeling sad  
Don't you cry now baby  
You know that only makes me mad  
I see you everywhere I go  
Every town and place  
I can't recall your name  
But I know I won't forget your sweet face  
You're a high ball shooter  
You make it easy to see  
High ball shooter  
You sure ripped the low ones off me  
'Cause you're a high ball shooter  
You make it easy to see  
High ball shooter  
You sure ripped the low ones off me
