## ayokay

[Intro]

Oh yes

Oh yes, yeah

Oh yes, yeah

Yeah

Like mom's not home

Summer nights

Love 'em how they take so long[Hook]

One, two, three

[Chorus]

Jumpin' off the porch like mom's not home (not home)

Tell me why the best things feel so wrong (so wrong)

Summer nights

Love 'em how they take so long (so long)

Run with the feeling

Of being alive while we're still young

Jumpin' off the porch like mom's not home (not home)

Just a couple kids livin' on our own (on our own)

Summer nights

Love 'em how they take so long (so long)

Run with the feeling

Of being alive while we're still youngJumpin' off the porch like mom's not home (not home)

Tell me why the best things feel so wrong (so wrong)

Summer nights

Love 'em how they take so long (so long)

Run with the feeling

Of being alive while we're still young

Jumpin' off the porch like mom's not home (not home)

Just a couple kids living on our own (on our own)

Summer nights

Love 'em how they take so long (so long)

Run with the feeling

Of being alive while we're still young (still young, still young, still young, still young)
