

Insane Lullaby (feat. James Mercer)

Danger Mouse

How will it turn out?
Starting needs are waiting out
On the way to the dead hotel
Beside an empty light
Falling into their pretty hands
All of them androids have aOne day's flight
Take you back in time
When I wasn't such a
Brand across your breast
Strain upon your back
When a good life was enoughWould it be so wrong
Danny needs you up in his place
Can your batteries replace this heart?
Lying in the yard
Wanted it to be natural love
A sun for a motherDreams float up
From fishes in the flood
Adding new dimension
Leaving only hearts to break
Needs are forming again
A good life would just never be enough
