Who Am I (Lead Vox Up Version)

Plus One

Who am I?
That You know me by name
That You call me friend
Invite me in to be with YouI don't know why
You love me this way?
'Cause I'm nothing at all
Still You call and make me newEven before time began
For me You had a plan
You were shaping my life
In Your handsWho am I without Your love?
I cannot live without Your touch
You hold my hand and walk me through
All I need is YouWho am I without Your love?
I cannot breathe without Your touch
You make me complete, I bow at Your feet
For me You came to die
Who am I?You were there
Creating the world
Put the stars in the sky
God of heavenly light, what can I do?Now You're here
With a love that's so real
And I give You my life as a sacrifice
To honor YouI've overwhelmed and overcome
By what You do and all You've done
That You count me as one
Of Your sonsWho am I without Your love?
I cannot live without Your touch
You hold my hand and walk me through
All I need is YouWho am I without Your love?
I cannot breathe without Your touch
You make me complete, I bow at Your feet
For me You came to die
Who am I?
Who am I?Who am I without Your love?
I cannot live without Your touch
You hold my hand and walk me through
All I need is YouWho am I without Your love?
I cannot breathe without Your touch
You make me complete, I bow at Your feet

For me You came to die
Who who am I?
