

# Rainfall

## Didascalis

We were hiding from the rain and the thunder  
I've been staring out for days  
As I wonder a long day around  
So here we are again we're outnumbered  
The feeling is a wave that I'm under  
But I heard it call my name in the summer  
Is it ever gonna change in my slumber

I can hear myself walking through this world  
Can't believe it's not  
They're talking so retarded  
I don't know  
It might now show  
Let me go
