

# My Confession

Robert Kramer

I can feel everything with  
The touch of your hand  
Its the way that you  
Know me so well  
And a kiss ain't a kiss  
Till the kiss is from you  
Just don't ask how I know  
I can tell There's a space in the place  
When you leave me alone  
There's no shadow when my  
skies are all grey  
There's no sound from the lips  
That don't speak out my name  
There's no words for the  
Words you don't say It's that thing  
(That you do)  
And it's tellin me we're not through  
My confession is I love you  
(yes, I do, yes I do)  
I'm confessin it to you, you, you  
I'm confessin it. There's no wind in the trees  
And no soft summer breeze  
Only clouds from the sky  
In my heart  
And the sun wouldn't shine  
If I can't call you mine  
It was you,  
Only you from the start It's that thing  
(That you do)  
When I'm missing you  
(I'm so blue)  
I'm confessin it  
(All to you) Confession is good for the soul they say  
I'm confessin and prayin my life away  
If I have to spend even one more day  
Without you  
I confess I won't make it thru I'm confessin it It's that thing that you do  
And it's telling me we're not through  
My confession is I love you

(yes, I do ,yes, I do)  
I'm confessin it to you you you  
I'm confessi it to you you you  
I'm confessin it to you you you
