Slide (Radio Cut)

Salmonella Dub

Intro:
Even though, I know the river's flow
And I know, the bonds of the shallow
Even though I know, bright and shadow
And I know the song (sound?) of deep belowAi, uh huh, ai yai uh huh ai yai
Ai, uh huh, ai yaiVerse 1:
I'm always last to get it
Now everything is gone
I don't want you back
If only I had known
??????????????????
But everybody knows
You say you've got a reason
I don't think I should knowChorus:
This time it can simply slide
This time it can simply slide
This time it can simply slide
Simply slide, simply slide
(x2)Verse 2:
I'm always gonna get it
For everything I know
The shape of things to come
If I don't want to know
The caller has a vision
The phone rings on and on
I can hear you gunnin'
I think I gotta goChorus:
This time it can simply slide
This time it can simply slide
This time it can simply slide
Simply slide, simply slide
(x2)Simply slide x 2[Instrumental]Simply slideAi, uh huh, ai yai uh huh ai yai x4Uh huh, ai yai[Instrumental]Ai, uh huh, ai yai
Oooh oohh x4Chorus/outro:
This time it can simply slide
This time it can simply slide
This time it can simply slide
Simply slide, simply slide
