Rollercoaster

Bleachers

It was summer when I saw your face
But like a teenage runaway
Oh god I never thought we'd take it that far
Some killer queen you areNow I'm running and I can't stop anywhere I go
I think about it everyday and night I can't let go
Man, I'm never the same
We were shot gun lovers I was shot gun running awaySo come a little closer
There was something I could tell ya
You were such a rollercoaster
And a killer queen you areRollercoaster, I don't say no
Rollercoaster, when you don't say no
And it's such a rollercoaster
Some killer queen you areWe took the bones out from the road
Those endless nights that we traveled we stole
You let your clothes fall to the floor
And lit a fire while I waited for moreNow I'm running and I won't stop I don't wanna go
I think about it everyday and night I can't let go
And hey, I'm never the same
It's a hundred miles an hour on a dirt road running awaySo come a little closer
There was something I could tell ya
You were such a rollercoaster
And a killer queen you areRollercoaster, I don't say no
Rollercoaster, when you don't say no
And it's such a rollercoaster
Some killer queen you areCome a little closer
I'm sure, come a little closerWhy don't you come a little closer
There was something I could tell ya
You were such a rollercoaster
Some killer queen you areRollercoaster, I don't say no
Rollercoaster, when you don't say no
And it's such a rollercoaster
Some killer queen you areRollercoaster, I don't say no
Rollercoaster, when you don't say no
And it's such a rollercoaster
Some killer queen you are
