

# Tired Of Running

## Snoop Lion

I'm sittin on my porch watchin' the law  
As they ride past in they patrol cars  
So tell me why I feel like the enemy  
They supposed to be here protectin' me  
I might have went too far  
Helpin' to contribute to makin' their job hard  
Servin' fiends like these people ain't no kin to me  
I can't believe I'm out here killin' my community  
If you knew how far I came (far I came)  
From where I am and where I used to be (where I used to be)  
I don't want it, you can tell by the look at me  
This gangsta life ain't no longer in me And I'm tired of the runnin', tired of the runnin'  
Tired of the runnin', runnin' from the law  
Baby you gotta believe me  
Said I'm tired of the runnin', tired of the runnin'  
Tired of the runnin', runnin' from the law  
Baby ya gotta believe me I know there's things I could've changed girl  
I know there's things I could've done a lot better  
Instead I'm in the streets tryin' to make that cheddar  
Thinkin' in my mind that you gon' be there forever  
I know I could've let it all go (let it all go)  
But I was thinkin' it would make life better (make life better)  
Instead I'm sittin' in this cell writin' this letter  
Thought I wouldn't get caught cause I was way too clever  
I learned there's no one to catch ya when ya fallin'  
And they'll be no one to hear you when you're callin'  
Do you know what it's like to wake up in the mornin'  
While you're starvin' you're hearin' bugs crawlin'  
Reminisclin' on them days you was walkin'  
With pretty women on your arm while you're flossin'  
Thankful that I didn't end up in a coffin  
Somethin' we see too often And I'm tired of the runnin', tired of the runnin'  
Tired of the runnin', runnin' from the law  
Baby you gotta believe me  
Said I'm tired of the runnin', tired of the runnin'  
Tired of the runnin', runnin' from the law  
Baby ya gotta believe me Said I'm tired  
Said I'm tired  
I said I'm tired

So tired, yeah And I'm tired of the runnin', tired of the runnin'  
Tired of the runnin', runnin' from the law  
Baby you gotta believe me  
Said I'm tired of the runnin', tired of the runnin'  
Tired of the runnin', runnin' from the law  
Baby ya gotta believe me Said I'm tired
