

God Save the Queen (Rare Studio Version)

Sex Pistols

God save the Queen
The fascist regime,
They made you a moron
A potential H-bomb God save the Queen
She ain't no human being
There is no future
And England's dreaming Don't be told what you want
Don't be told what you need
There's no future
No future
No future for you God save the Queen
We mean it man
We love our Queen
God saves God save the Queen
'Cause tourists are money
And our figurehead
Is not what she seems Oh God save history
God save your mad parade
Oh Lord God have mercy
All crimes are paid When there's no future
How can there be sin
We're the flowers
In the dustbin
We're the poison
In your human machine
We're the future
You're future God save the Queen
We mean it man
We love our Queen
God saves God save the Queen
We mean it man
There is no future
And England's dreaming No future no future no future for you
No future no future no future for me
No future no future no future for you
No future no future for me
