

# Broken Glass

Rachel Platten

I'm on a highway full of red lights  
I've lost so many long nights  
Felt words that cut like knives  
I know, I know they're gonna  
Say what they wanna  
I know they're gonna  
Say what they want, yeah (want, want) But I feel it changing  
I can taste it, I'm on the wave and  
I won't waste it  
I have been patient  
But I'm not waiting anymore  
Not anymore, no  
I'm gonna dance on broken glass, ey  
On broken glass  
And I'm gonna make that ceiling crash, ah  
That ceiling crash So what? Still got knives in my back  
So what? So I'm tied to the tracks, yeah  
I'm gonna dance on broken glass  
And here I go, here I go, ooh ooh  
Ooh ooh, ooh ooh, ooh  
Yeah here I go, here I go  
Ooh ooh, ooh ooh, ooh  
Yeah here I go, here I go So I bet on me and my own heartbeat  
When all the odds are piling  
Like bricks around my feet  
You know, you know it's more than  
More than just for me  
You know it's worth it  
I still believe, yeah yeah  
I'm gonna dance on broken glass, ey  
On broken glass  
And I'm gonna make that ceiling crash, ah  
That ceiling crash So what? Still got knives in my back  
So what? So I'm tied to the tracks, yeah  
I'm gonna dance on broken glass  
And here I go, here I go Ooh ooh, ooh ooh, ooh  
Yeah here I go, here I go  
Ooh ooh, ooh ooh, ooh  
And here I go, here I go Through to the other side, baby I'll survive (oh oh)

'Cause you know I'm a fighter (oh oh oh)  
Through to the other side, baby I'm on fire (oh oh)  
'Cause you know I'm a survivor (oh oh oh)  
Through to the other side, baby I'll survive (oh oh)  
'Cause you know I'm a fighter (oh oh oh)  
Through to the other side, baby I'm on fire (on fire, fire)Wooh  
I'm gonna dance on broken glass, ey  
On broken glass  
And I'm gonna make that ceiling crash, ah  
That ceiling crash  
So what? Still got knives in my back  
So what? So I'm tied to the tracks  
Yeah I'm gonna dance on broken glass  
And here I go, here I goOoh ooh, ooh ooh, ooh  
Yeah here I go, here I go  
Ooh ooh, ooh ooh, ooh  
And here I go, here I go
