

I Don't Know What Love Is

Lady Gaga & Bradley Cooper

[Verse 1: Lady Gaga]

I don't know what love is

If I can't have you here

I don't know what love is

I think that it's just fear [Verse 2: Lady Gaga & Bradley Cooper]

I don't know the tempo

Of my heart's concerto

It all seems like a dream

It's not

I know there's something real out there for me

[Chorus: Lady Gaga & Bradley Cooper]

I swear I've seen an angel

And paradise in blue and every color I choose

But I don't know what love is

But I think it might be you [Verse 3: Bradley Cooper]

If I had the courage

I'd know just what to do

Sometimes I have to crawl and everyday I fall tryin' just to stand by you

[Chorus: Lady Gaga & Bradley Cooper]

I swear I've seen an angel

And paradise in blue and every color I choose

But I don't know what love is

But I think it might be you
