Action Radar

Prodigy

Give 'em what you got
Go give ?em all your action, baby
Give ?em what you got
Go give ?em all your action, baby
Give ?em what you got
Go give ?em all your action, oh, baby, oh, baby
I don't see down that radar but I don't see that I'm wrong
'Cuz it's a will fire, action seeking radar, baby
I don't see down that radar but I don't see that I'm wrong
'Cuz you're a sure fire, action seeking radar, baby
I don't see down that radar but I don't see that I'm wrong
'Cuz it's a will fire, action seeking radar, baby
I don't see down that radar but I don't see that I'm wrong
'Cuz you're a sure fire, action seeking radar, baby
A little action is all I need
A little action is all I need
A little action is all I need
A little action is all I need
A little action is all I need
A little action is all I need
A little action is all I need
A little action is all I need
"Cuz you're a sure fire, action seeking radar, baby
We'll live it up, don?t wanna give it up
'Cuz you're a sure fire, action seeking radar, baby
We'll live it up, don?t wanna give it up
Give ?em what you got
Go give ?em all your action, baby
Give ?em what you got
Go give ?em all your action, oh, baby, oh, baby
I don't see down that radar but I don't see that I'm wrong
'Cuz it's a will fire, action seeking radar, baby
I don't see down that radar but I don't see that I'm wrong
'Cuz you're a sure fire, action seeking radar, baby
A little action is all I need
A little action is all I need
A little action is all I need
A little action is all I need
A little action is all I need

A little action is all I need
A little action is all I need
A little action is all I need
