Home (feat. SAM ROMANS)

Naughty Boy

Red door ends the driveway on the street where we met,
I take a thousand memories on the road with me
So we never forget!
It's been a good year, will be a long day,
Before we lay our heads down to rest,
And if those tears come rolling down, I'll pull you close to me,
And tell you we'll be back there again!Won't be a long time, time
Won't be a long time
Won't be a long time, time
Won't be a long timeTill we get back home (x6)We've had good times, it's been real love
And I know it's hard to move on!
But don't place your sentimens in the things we left
It's when we're together, we're homeWon't be a long time, time
Won't be a long time
Won't be a long time, time
Won't be a long timeWon't be a long time, time
Won't be a long time x2
Till we get back home x6
