

# All Night Long

## Little Richard

Come on little baby been thinkin' 'bout you all day long  
I been workin' in the hot sun thinkin' 'bout you all day long  
Well I'm on my way to get ya gonna rock it 'til the break of dawn Well I just got paid and baby I'm gonna  
spend it all  
I just got paid I'll buy you any thing you want  
I'm on my way to get ya gonna rock it to ya all night long Well it's all night, all night long(All night, all night  
long)All night, all night long(All night, all night long)Come on little baby come and give it to me all night long  
Come on little baby let's a rock it 'til we're 'bout to fall  
Come on little baby let's live it up and have a ball  
Come on little baby come and give it to me all night long Well it's all night, all night long(All night, all night  
long)All night, all night long(All night, all night long)Come on little baby come and give it to me all night long  
Well it's all night, all night long(All night, all night long)All night, all night long(All night, all night long)Come  
on little baby come and give it to me all night long
