

Best of My Love

Bobby Lyle

I need someone, That I'll look to,
In the lonely hour, That we all go through,
To give me comfort, And love me through,
In the lonely hour, I need you . . . I need you, I don't need diamonds, I don't need jewels,
No amount of riches, Will cover up these blues,
I don't need suggestions, About a-starting new,
In the lonely hour, I need you, There's nothing i can do, I'm helpless without you,
It's a losing, Point of view,
When there's a wistful silence, In an empty room,
These other voice's, They don't cut through,
In the lonely hour, I need you . . I need you . . . And i need you, I need someone, That I'll look to,
In the lonely hour, I need you . . . I need you,
