

Zombie Ritual

Death

Advisory - the following lyrics contain explicit language:

Revengeful corpse out to kill
Smell the stench, your guts will spill
Vomit for a mind, maggots for a cock
With his axe the corpse will chop Stare into his eyes
Now in his spell
Kiss the rotting flesh
Now you're in hell Drink from the goblet, the goblet of gore
Taste the zombie's drug, now you want more
Drifting from the living, joining with the dead
Zombie dwelling maggots, now infest your head Zombie ritual
Zombie ritual Ceremony now complete
Chosen one is now deceased
Fucking, raping zombie whores
Killing, feasting no remorse Stare into his eyes
Now in his spell
Kiss the rotting flesh
Now you're in hell Drink from the goblet, the goblet of gore
Taste the zombie's drug, now you want more
Drifting from the living, joining with the dead
Zombie dwelling maggots, now infest your head Zombie ritual
Zombie ritual
Zombie ritual
