

Landslide (Fleetwood Mac Cover)

Boyce Avenue

I took my love and I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow-covered hills
Well the landslide brought me down Oh mirror in the sky
What is love
Can the child within my heart rise above
Can I sail thru the changing ocean tides
Can I handle the seasons of my life
Uh huh
Uh huh, uh huh Well I've been afraid of changing cause I built my life around you
But time makes you bolder
Children get older
And I'm getting older too
So.. Well I've been afraid of changing cause I built my life around you
But time makes you bolder
Children get older
I'm getting older too
Well I'm getting older too
