Voiceless

Matt Hammitt

I'll be a voice for the voiceless
I will speak words for the weak
And I will sing into the silence
Into the air creation breathes
And Iâ€™ll shine a light in the darkness
For anyone left who cannot see
Cause I know you canâ€™t fight the something
till somebody helps you believe
If you listen
Closely youâ€™ll hear her speak
I am alive, I want to be loved
I already feel the world is waiting for me
What
Could I have done
That you would not speak up for the voiceless
Speak for me
Now use a name for the nameless
Created of spirt flesh and blood
And I will declare to the nations
Reclaim your precious daughters and sons
Listen closely hear him speak
I am alive, I want to be loved
I already feel the world is waiting for me
Oh, what have Iâ€™ve done
That you would not speak up for the voiceless
Oh, how could you not speak up for the voiceless
Speak for me
A whole nation is rising up
To reclaim our daughters and sons
Weâ€™ve already made our choice
We will be your voice
We will not stand by
Cause we have heard your cry
I am alive and I will be loved
I already feel the world is waiting for me
Someday youâ€™ll look in my eyes and know
It was worth shining your light for the voiceless
Oh, I will thank you for raising your voice for the voiceless
To speak for me
