The dreams of wealth
A common fantasy
They're only illusions
You see them on TV They think they know everything about us
Don't think they ever will
Make a move in the wrong direction
Don't try to label us dead Confuse what I think
Confuse what I think
Confuse what I think
Confuse what I think Do you know what's wrong?
I don't know what's wrong
We want to be free
We have to reject Do you know what's wrong?
I don't know what's wrong
We want to be free
We have to reject Whose lives are we living?
How many people are led?
To believe break your back for a buck
Don't ever think it will end Confuse what I think
Confuse what I think
Confuse what I think
Confuse what I think Do you know what's wrong?
I don't know what's wrong
We want to be free
We have to reject Do you know what's wrong?
I don't know what's wrong
We want to be free
We have to reject We want to be free
We have to reject
We want to be free
We have to reject The dreams of wealth
A common fantasy
They're only illusions
You see them on TV Whose lives are we living?
How many are led?
In the wrong direction
Try to label us dead
