

Ray of Light (Radio Edit Version)

[Madonna](#)

Zephyr in the sky at night I wonder
Do my tears of mourning sink beneath the sun
She's got herself a universe gone quickly
For the call of thunder threatens everyone And I feel like I just got home
And I feel
And I feel like I just got home
And I feel Faster than the speeding light she's flying
Trying to remember where it all began
She's got herself a little piece of heaven
Waiting for the time when Earth shall be as one And I feel like I just got home
And I feel
And I feel like I just got home
And I feel Quicker than a ray of light
Quicker than a ray of light
Quicker than a ray of light Zephyr in the sky at night I wonder
Do my tears of mourning sink beneath the sun
She's got herself a universe gone quickly
For the call of thunder threatens everyone And I feel Quicker than a ray of light
Then gone for
Someone else will be there
Through the endless years She's got herself a universe
She's got herself a universe
She's got herself a universe And I feel
And I feel
And I feel like I just got home
And I feel Quicker than a ray of light she's flying
Quicker than a ray of light I'm flying
