

Beautiful Rose

Jimmie Dale Gilmore

Did you ever see Dallas from a DC-9 at night?
Well Dallas is a jewel, oh yeah, Dallas is a beautiful sight.
And Dallas is a jungle but Dallas gives a beautiful light.
Did you ever see Dallas from a DC-9 at night? Well, Dallas is a woman who will walk on you when you're
down.
But when you are up, she's the kind you want to take around.
But Dallas ain't a woman to help you get your feet on the ground.
Yes Dallas is a woman who will walk on you when you're down. Well, I came into Dallas with the bright lights
on my mind,
But I came into Dallas with a Dollar and a dime. Dallas is a rich man with a death wish in his eye.
A steel and concrete soul with a warm hearted love disguise.
A rich man who tends to believe in his own lies.
Dallas is a rich man with a death wish in his eyes.
