

Radiant (feat. Bryson Breakey)

Every Nation Music

I stand in reverence and in awe
Overwhelmed completely by who you are
Undone by your kindness, O God

That you would take on flesh to bear my cross

Jesus, You're so Holy
Still your thoughts are for me
His Love is placed before me
Stronger than the grave

The feet that walked on water
Knelt to buy my pardon
And when my heart was hardened
You chose to call my name

You are Radiant
(You are Holy)

Full of Faithfulness
(You are Holy)

You are Marvelous
(You are Holy)

You are Holy

I stand in reverence and in awe
Overwhelmed completely by who you are
Undone by your kindness, O God
That you would take on flesh to bear my cross

Jesus, You're so Holy
Still your thoughts are for me
His Love is placed before me
Stronger than the grave

The feet that walked on water
Knelt to buy my pardon
And when my heart was hardened

You chose to call my name

You are Radiant
(You are Holy)

Full of Faithfulness
(You are Holy)

You are Marvelous
(You are Holy)

You are Holy

Jesus, You're so Holy
Still your thoughts are for me
His Love is placed before me
Stronger than the grave

The feet that walked on water
Knelt to buy my pardon
And when my heart was hardened
You chose to call my name

You are Radiant
(You are Holy)

Full of Faithfulness
(You are Holy)

You are Marvelous
(You are Holy)

You are Holy

You are Holy

You are Holy
