Cleansation

Chimaira

GoWhat do you expect from me?
Will I ever be who you want me to be?
Will I ever live up to your standards?
Will you always look down on me?Maybe I'm not who you are
Maybe I want to be myself
Live the life I've always dreamed about
This is not your path to chooseYes, I taste it, yes, I breathe it
Yes, I hate it, yes, I feel strain
From our separationBut this is my life, this is my life
My cleansation, our separation
This is my life, this is my life
It's not yours anymoreWhy did you insist on ruling?
Why did you try and control?
Why didn't you ever listen to me?
Ignored me, like a dogMaybe I'm glad we're apart
Maybe I'm glad we don't speak
Anymore, I feel better now
Now that you are goneYes, I taste it, yes, I breathe it
Yes, I hate it, yes, I feel strain
From our separationBut this is my life, this is my life
My cleansation, our separation
This is my life, this is my life
It's not yours anymoreYes, yes, yes, yes, yes, yes
Yes, I taste it, yes, I breathe it
Yes, I hate it, yes, I feel strain
From our separationBut this is my life, this is my life
My cleansation, our separation
This is my life, this is my life
It's not yours anymoreThis is my life, this is my life
This is my life
Now that you are gone
