

# Fully Alive (Acoustic)

Lacey Mosley

Telling Layla's story spoken  
'Bout how all her bones are broken  
    Hammers fall on all the pieces  
Two months in the cover creases  
    Fully alive, more than most  
    Ready to smile and love life  
    Fully alive and she knows  
    How to believe in futures  
All my complaints shrink to nothing  
I'm ashamed of all my somethings  
She's glad for one day of comfort  
    Only because she has suffered  
    Fully alive, more than most  
    Ready to smile and love life  
    Fully alive and she knows  
    How to believe in futures  
    Fully alive, more than most  
    Ready to smile and love life  
    Fully alive and she knows  
    How to believe in futures  
    Fully alive, more than most  
    Ready to smile and love life  
    Fully alive and she knows  
    How to believe in futures
