## Philly's Most Wanted

Uh, yeah, it's what I like  
Uh, huh, yeah yeah  
Queue me dawg  
Yeah, most wanted, baby  
Yo, see, I'm a cop' Benz 'til they make edition S-1000  
And buy the mall out while you, niggas there browsin'  
In the latest six coupe, hundred and twenty thousand  
Score more proud, 'bout pile reclinin'  
We gonna make changes listenin' to Phyllis Hyman  
Cops wanna search for guns and can't find 'em  
They ask for my name, I tell 'em read it in diamonds  
Mr. fuck hoes and put down the bricks  
Advance my drink game for Mo' Don and Cris'  
Bought whips in the order of 4, 5 and 6  
Man I never been broke, I kept money to count  
Get it down in dice games, win money and bounce  
A million motherfuckers, it's how the word's pronounced  
I keep my bank account, the banks amount  
My niggas, play freeze tag with big rocks that's costly  
Bonic iceman and of course, I'm all frosty  
Look here we Philly Celebrities, who, movie stars  
Don't worry 'bout it nigga, you know who we are  
You see my damn house, you see my damn car  
Don't worry 'bout it nigga, you know who we are  
We Philly Celebrities, who, movie stars  
Don't worry 'bout it bitch, you know who we are  
You see my damn chain, you see my damn car  
Don't worry 'bout it bitch, you know who we are  
Boo, a clothesline nigga, I wear myself  
I wish somebody spit hot and I'm sick of hearing myself  
I talk big shit, how I only fuck with big chicks  
With big tits, big hips and all that slick shit  
Yeah, I'm a drop out, drop six  
Drop they gorgeous bitch, drop they shit, soon as I hop out  
Niggas, ain't near me spittin' they game  
And plenty hoes in tattoo parlors getting my name  
Probably think I'm highed up, pot, spit and flip game  
Snorted out my mind with six bitches like Rick James  
Wanna marry me and all they know is my nickname

Slow up, you want me now, 'cause I'ma blow up  
Women, I kast 'em out like, Aquemini  
And our roley got two faces, like a Gemini  
Now, T H E B E S T, that's me  
If you better than this then let's see, we, crush, yeah, uh huh
