

Fairy Tale

Frank Sinatra

Fairy tale, my favorite fairy tale
Is the one I live with wonderful you
Life is so grand, a fabulous fairyland
And we walk it hand in hand as lovers do Fantasy became a reality
With your tender kiss you open the door
You are marvelous, divine, Aladdin's lamp did shine
The magic day that you were mine Fairy tale, our love is a fairy tale
And it never has been told before Fantasy became a reality
With your tender kiss you open the door
You are marvelous, divine, Aladdin's lamp did shine
The magic day that you were mine
